## About the Club

Croxley Camera Club is the photographic society for the Three Rivers District. It was formed in 1960 and is known as the *friendly* club. All interests and skill levels are catered for and the programme encompasses an interesting mix of talks, workshops, competitions and social evenings. The club is a member of the Chilterns Association of Camera Clubs and is affiliated to the Photographic Alliance of Great Britain.

## Club Meetings

We meet at 7:45pm (for an 8pm start) each Thursday (except July and August) in the heart of the village at Croxley Green Community Centre, which is at the end of Community Way (entrance behind the New Road library). For satnavs, use postcode WD3 3SU.

We also organise regular studio photography evenings at West Herts College and outdoor portrait socials at various locations.

Full details of the sessions are on our website or in our weekly newsletter.

**You can email the committee about any aspect of the club**
